Chapter 11
Case No. 19-23649 (SHL)

(Jointly Administered)

**Re: In re PURDUE PHARMA L.P., et. al.,
Debtors**

Dear Judge Lane

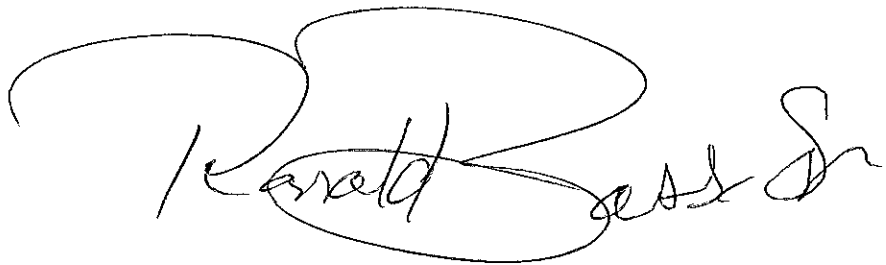

I am not voting for the restructuring of the Purdue Pharma, LP, et al., plan under Chapter 11 and the ongoing hiring of professional services of public or private entities paid with extravagant fees for redundant discussion at the mediation hearings, which hasn't held the **Sacklers Family, et al.**, liable for personal injuries damages in my claims and, fraudulent conveyances, see 11 U.S.C. § 548 with Partners Pharmacy, LLC opioid distributors and the **unjust enrichments of the State of New Jersey, et al 'Opioid Settlement'**; The Mediations has not complied with the order and judgment of the Supreme Court of the United States, decision in *Harrington v. Purdue Pharma, L.P., et al.*, § 1123(b)(6); I am being denied constitutional **due process, 5th and 14th Amend.**

"What functioning the court has been performing is smothered and surmised," in my **core** and **non-core** claims"; I, have not sited down with the Sacklers family, et al., or the State of New Jersey, et al., or any of the private or public person and entities that listed in my pharmaceutical records or insurance coverage under New Jersey Department of Human Services, et al., see New Jersey 1947 Constitution, of **due process of life and liberty.**
